Required Compliance

If a manufacturer/brand does not appear on the above list, it is not deemed compliant by the Attorney General's Office. Purchasing brands that do not appear on this list could subject the purchaser to penalties pursuant to K.S.A. 50-6a04.

Warning

Noncompliant manufacturers often have their brand/products disseminated through distribution in order to mask their true identity. It is strongly recommended that a product not be purchased without first verifying the product's actual manufacturer.
